"Leave No One Behind Dialogue Series"

High Level Political Forum Side Event

Tuesday 11th of July 2017 1:15 – 2:45 PM

Baha'i International Community Offices, 866 United Nations Plaza Suite 120

Background

The 2030 Agenda for sustainable development commits to "put the furthest behind first" and to "leave no one behind." This dialogue series has shared, at the level of practice, lessons learned from good policies that contribute to achieving the promises made in the SDGs for everyone, in a spirit of collective endeavor to identify and explore practical solutions to major challenges. This final dialogue, held during the HLPF, will allow participants to reflect on the accrued lessons learned over the lifetime of the dialogue series, will serve as a launch for the publication, as well as a continued opportunity to amplify the important voices of both those who are most often left behind, as well as the policy-makers who are genuinely working for them
