## Join our 2019 Campaign team!

**“3 month internship” starting in January 2019**

**All Together in Dignity – ATD Ireland** is seeking a motivated person to join their small and dynamic team for a 3 month long internship.

This internship offers a great opportunity to gain first-hand experience of working within a local NGO while also gaining experience of how ATD International operates, with teams in 40 countries worldwide. The intern will be involved with the organisation of a number of events and campaigns, learning from ATD long-term volunteers about specific participatory approaches to poverty.

Interns spend three months at ATD Irelands office in Mountjoy Square, Dublin 1.

This internship is unpaid however upon successful completion participants will be considered for an additional six month long training programme which includes an accommodation payment and a monthly stipend.
